

NYSSRA proudly announces the Alpine Lodge in North Creek as the sponsor of the 2010 Jr II Eastern Team. The Eastern Jr II Championships will be held Feb 24-26 at Stowe, VT.

The Alpine Lodge at Gore Mountain is the newest and one of the most unique lodging facilities in the beautiful Gore Mountain region of the Adirondack in Northern New York. A wonderful example of the Adirondack Great Camp style, The Alpine Lodge is located in the charming small town of North Creek in the midst of the beautiful and scenic Adirondack Mountains. Convenient downtown location; walk to restaurants, grocery, and shopping- perfect for après-ski! Just a 5 minute drive to Gore Mountain.

The Alpine Lodge is located within a short drive of numerous year-round activities. Each guest room in the Lodge features a television with dvd player, CD player, WiFi, specially designed furnishings, private bathroom with stall shower and radiant heat. Some rooms boast a gas woodstove and/or Jacuzzis.

A perfect location for our skiing families coming to the Kandahar Festival, Jr. III Super-G Camp, and the Eastern Jr. I-II Finals. There is a group gathering area, called "The Great Room" with a 50" flat screen TV and fireplace as well as a tuning waxing room with a large bench- perfect for our ski racing friends.
