

We are proud to be a partner with NYSSRA and value the many relationships that have developed in New York State as a result of our association. On the behalf of the J 1-2 Eastern Team, we are happy to outfit them with a quality Team Fleece for 2010 that will assist them to appear as a Team at their Eastern Events! We wish them the best of luck at their competition and hope that they bring home the hardware!

NYSSRA has been a fantastic part of our lives for many years as far back as the 70's while racing in NY and with only a short lapse in the college era, we have maintained membership since then. We are passionate about ski racing and appreciate the many friendships that have been created as a result of our continued involvement. Our company services many of the clubs and events with apparel, caps, hoodies, etc. along with our other work which includes the following: Products/Apparel for Events, Hospitality/Resort uniforms, Summer Camp merchandise, Resort Retail Merchandise and Custom Business Apparel, Marketing and Promotional products. We create special designs to fit the special needs of each customer for printing and embroidery. That's the day job.

In addition to this, we have two very Fun and Loving Children (Maris-J4 and Andrew-J5) that are working their way through the ranks as ski racers in the NYSSRA programs. Dad is a coach and official and mom is a former ski racer (Mountain House (now NSA) grad) and chief of chasing races, race support and sometimes gate keeper/hand timer and tuner. We wish you all success in meeting your competition goals for this season and beyond and please make sure you say Hi when you see us on the hill!
