**Coaches Corner:**

You must be a USSA accredited coach in order to receive a ticket (USSA current, State association, and currently employed with a mountain racing program). Please bring current Mtn Employee pass & USSA card printed to speed up your check in. All athletes **must** have representation at the captains meeting. We request that clubs try to keep the coach to athlete ratio at 1:7 (when possible). If you have questions, give us a call 518-251-2825.

**Athlete Conduct:**

We anticipate that all athletes attending the USSA Finals will be well behaved. Gore Mt. Ski Center is a wonderful host to ski racing and works hard to produce ideal race trail conditions for all of our races. We ask that all athletes, coaches, and parents treat the Gore Mt. personnel and the skiing public politely on the hill and in the lodge. This includes respecting the mountain and not littering.

Our ski patrol requires the use of the safety bar on the chair lifts and requests that racers control their speed on open public trails. **Absolutely no tucking anywhere off the race trail or skiing on super-g skis on a non-netted trail.** The patrol is very strict. The lift attendants need to be able to see your Credential at all times, even when wearing a speed suit. **Lost or pulled Credentials by Patrol will not be replaced.**

### **Parents and Families:**

There are discount vouchers available at the training center during registration each day, they are good for the group rate at the mtn. (check [goremountain.com](http://goremountain.com)) Best is purchased early for the best value. Please remember during speed events there are no parents or skiing public allowed on ECHO. This is for the safety and consideration of your athletes. Enjoy your time here in the North Creek area!

### **Awards:**

Award times will be announced at the event. Awards will be given out to the top 10 men and top 10 women overall for each event.

### **Lodging/Eateries:**
