A NYSSRA Selection Committee will be onsite on Sunday to make the selection and announcements. Athletes must be prepared to commit to or decline participation in the Championships at this time. Registration for the Championships will occur at the HoliMont Race Center following the announcements.

Please remember this is a private ski club and obey the parking attendants.

Racer Parking: HoliMont has a large parking area (Canfield Parking Area) ½ mile west of our main entrance. All racers are required to park in this lot and take one of the two shuttle buses that rotate through the parking lot all day. The shuttle bus will pick you up at your car and drop you and your equipment off at the race center. You will only have to walk 50 yards to the racing center. Though this policy sounds restrictive, the majority of the people who raced here last year told us how convenient it was to be picked up and dropped off. The shuttle bus will be running all day.
