

Dear J3 racer and family,

1/27/10

Congratulations on your achievements this season and for qualifying to the NYSSRA J3 State Championships. All of us at the Ski West Mountain Education Foundation would like to welcome you to our area and share some information that may be helpful to you for your upcoming trip.

Just 8 miles north of West Mountain is beautiful Lake George. Winter Carnival is celebrated all through the month of February. There are many activities held out on the ice and many restaurants and shops are open.

Between the mountain and Lake George is our “Million Dollar half-mile” filled with brand name outlet stores for those who like to shop!

On Friday February 19, we will celebrate the accomplishments of our J3 racers with a banquet at the Dunham's Bay Lodge on Lake George. Arrive at 5:00 p.m., dinner at 6:00 p.m. After dinner, relax in the indoor pool or bring your ice skates and head for the outdoor ice rink. We will be at the Lodge until 9:00 p.m.

Please call ahead for lodging, as it is vacation week in our area. Dunham's Bay Lodge has some availability. Other lodging suggestions: Hampton Inn at Lake George, Wingate at Lake George, Holiday Inn at Lake George and the Queensbury Hotel in Glens Falls. All are a short 15-minute drive to the mountain, with breakfast available.

See you in February!
