Recognizing that many athletes are at Gunstock the day before the clinic, we are pleased to offer an optional training day with GSC coaches. We emphasize the optional nature of this training day. The training field will be limited; and filled on a 'first come' basis. In addition to athletes qualified to the Francis Piche Invitational, guest athletes between the ages of 8 and 14 are welcome to the optional training day – space permitting. Each participant must hold a valid USSA Competitor's License.

To assist us in organizing training for maximum athlete benefit, we request that athletes pre-register. Kindly send the registration form and fee to Laurie Osuchowski, 7 Serenity Lane, Meredith, NH, 03253. We appreciate receiving this registration no later than March 8, 2010. We will make every effort to accept late registrations, subject to space availability.

If you have any questions about space availability for the training day, please call Laurie Osuchowski, at 603-279-7822.
